2015 Spring Membership Meeting at LRBOI

This weekend was the 16th Membership Meeting during the time that Ogema Romanelli has been in office and it was a historic occasion as he was joined on stage by all Tribal Council members so that they, as our elected leaders, could hear concerns from tribal members and take questions from them. Many tribal members thanked all of them for being there and participating. There were 214 Registered Voters (out of 1203) in attendance so there was not a quorum. 361 were necessary for there to be a quorum.

"The very dust under your feet responds more lovingly to our footsteps than to yours, because it is the ashes of our ancestors, and our bare feet are conscious of the sympathetic touch, for the soil is rich with the life of our kindred."

-- Chief Seattle, SUQUAMISH

If you respect something, it will respect you back. If your ancestors respected something, the future generations will be respected back. The Indian ancestors always showed great respect for the Earth. That's why the Earth is so respectful to Indians today. Every Indian naturally feels connectedness to the Earth. We know the Earth holds our ancestors. If we continue to respect Mother Earth, our children will benefit and so will our grand- children. Today, we should think about and pray for our Mother Earth.

Grandmother, let me have strong feelings for our Earth today.

REACHING OUT TO NATIVE AMERICAN YOUTH TO INSPIRE READING, WRITING, AND HIGHER EDUCATION

The *Young Native Writers Essay Contest* is a writing contest for Native American high school students and is designed to encourage young Native Americans to write about their experiences as a member of a Native American community and the culture that inspires them.

The voices that emerge from this program honor the legacy of every Native American who has ever lived. Add your words to the thousands submitted through this project - all writers receive a Certificate of Honor for their submission.

The Holland & Knight Charitable Foundation's goal of promoting education and creating new opportunities for youth has inspired this essay contest. Partnering with Holland & Knight in this endeavor are the National Museum of the American Indian and the National Indian Education Association.

Presenters Call 22nd Annual Anishinaabe Family Language and Culture Camp 2015 Manistee Mi.

Aanii

We are looking for presenters for this year's camp; this will allow for plenty of time for everyone. This year's camp will be held on July 25th, 26th 2015. If you are interested in being a presenter, we will need a presentation outline and a biography.

We will need two different presentation outlines and some presenters may be asked to present up to three different times. Each presentation should be approximately 1 ½ hours long, but if you have a presentation that requires a longer amount of time, please let us know in order to accommodate your workshop. Please also let us know if your presentation is meant to target a particular age group or other demographic.

We also need to know if your workshop is total Anishinaabemowin immersion, if you will have a translator or if you will be presenting in the English language with some Anishinaabemowin. Please note that if you have handouts for your presentation, you are responsible for making sure you have enough copies because there are no copiers on site.

Just as a note, most of our guests do not speak Anishinaabemowin and some understand it, but do not speak it yet. For some of our guests, this is the only time that they get to hear Anishinaabemowin being used. It would be appreciated for all of the presenters to remain visible throughout the camp and to be available to speak in Anishinaabemowin. We have had successful Camps because of the good presenters that have participated. We attend one another's presentations and socialize with the guests; we support one another and love our language.

Along with your presentation outline and biography, we will also need to know if you require lodging. Please send all of your information by email as soon as possible and do not wait until the last minute otherwise you may not make it on the presenter list. It would be appreciated if your presentation outline and biography could be sent as separately attached documents in the email. It's just easier for us when we process our program book. (Phone calls are accepted to state your interest in presenting, but the written information is required by the deadline for consideration.)

If you know anyone who may be interested in presenting at the Camp, by all means, please forward this letter to them and have them state in their email who recommended them to present.

The deadline for all of this information is May 10, 2015

"People think other things are more important than prayer, but they are mistaken."

-- Thomas Yellowtail, CROW

An Elder once said the most important thing you can do in the course of a day is to pray. If we get up late or oversleep, which is more important? Rush to work without praying or pray first and then go to work? The Elders say it's more important to pray. If we get angry, should we act on our anger or should we pray first? The Elders say it's more important to pray first. If, during the day, we face indecision, what should we do? PRAY. If, during the day, we become irritated or we experience fear, what should we do first? PRAY. The Warrior who prays first will lead a different life from those who pray last.

Great Spirit, teach me to pray first!
